Owned by Bacardi, Bombay Sapphire is one of the world's finest gins made in the UK. Based on the site of a former paper mill Bombay Sapphire hosts tours and experiences of their distillery in rural Hampshire uncovering the process of how the gin is made.

In 6 weeks RSR were able to complete, **full lighting design** with **LED lighting**, electrical, data and fire alarm installations.

The use of **coloured LED lighting strips** brings a new flare to the **old building**.

## Scope of works

---

Design, Supply and Installation of the following:

- Mains Distribution
- Small Power
- Data Installation
- Containment
- LED Lighting
- Light Switching & Controls
- Fire Alarm Installation

The image shows a modern, dimly lit interior space, likely a lounge or cinema. The walls and ceiling are dark, and the room is illuminated by bright blue neon light strips that form a rectangular frame around the perimeter. In the foreground, there are several rows of dark, upholstered tiered seating. Each seat has a small, round, white table attached to it. To the right, there is a wooden slatted partition or railing. The overall atmosphere is contemporary and sophisticated.
