

RSR transformed an  
empty shell, into a **fully  
functioning** office  
space, filled with  
**bespoke features**

Industry: Parcel Distribution Solutions

Office Fit Out: 10 weeks

Project Value: £500,000

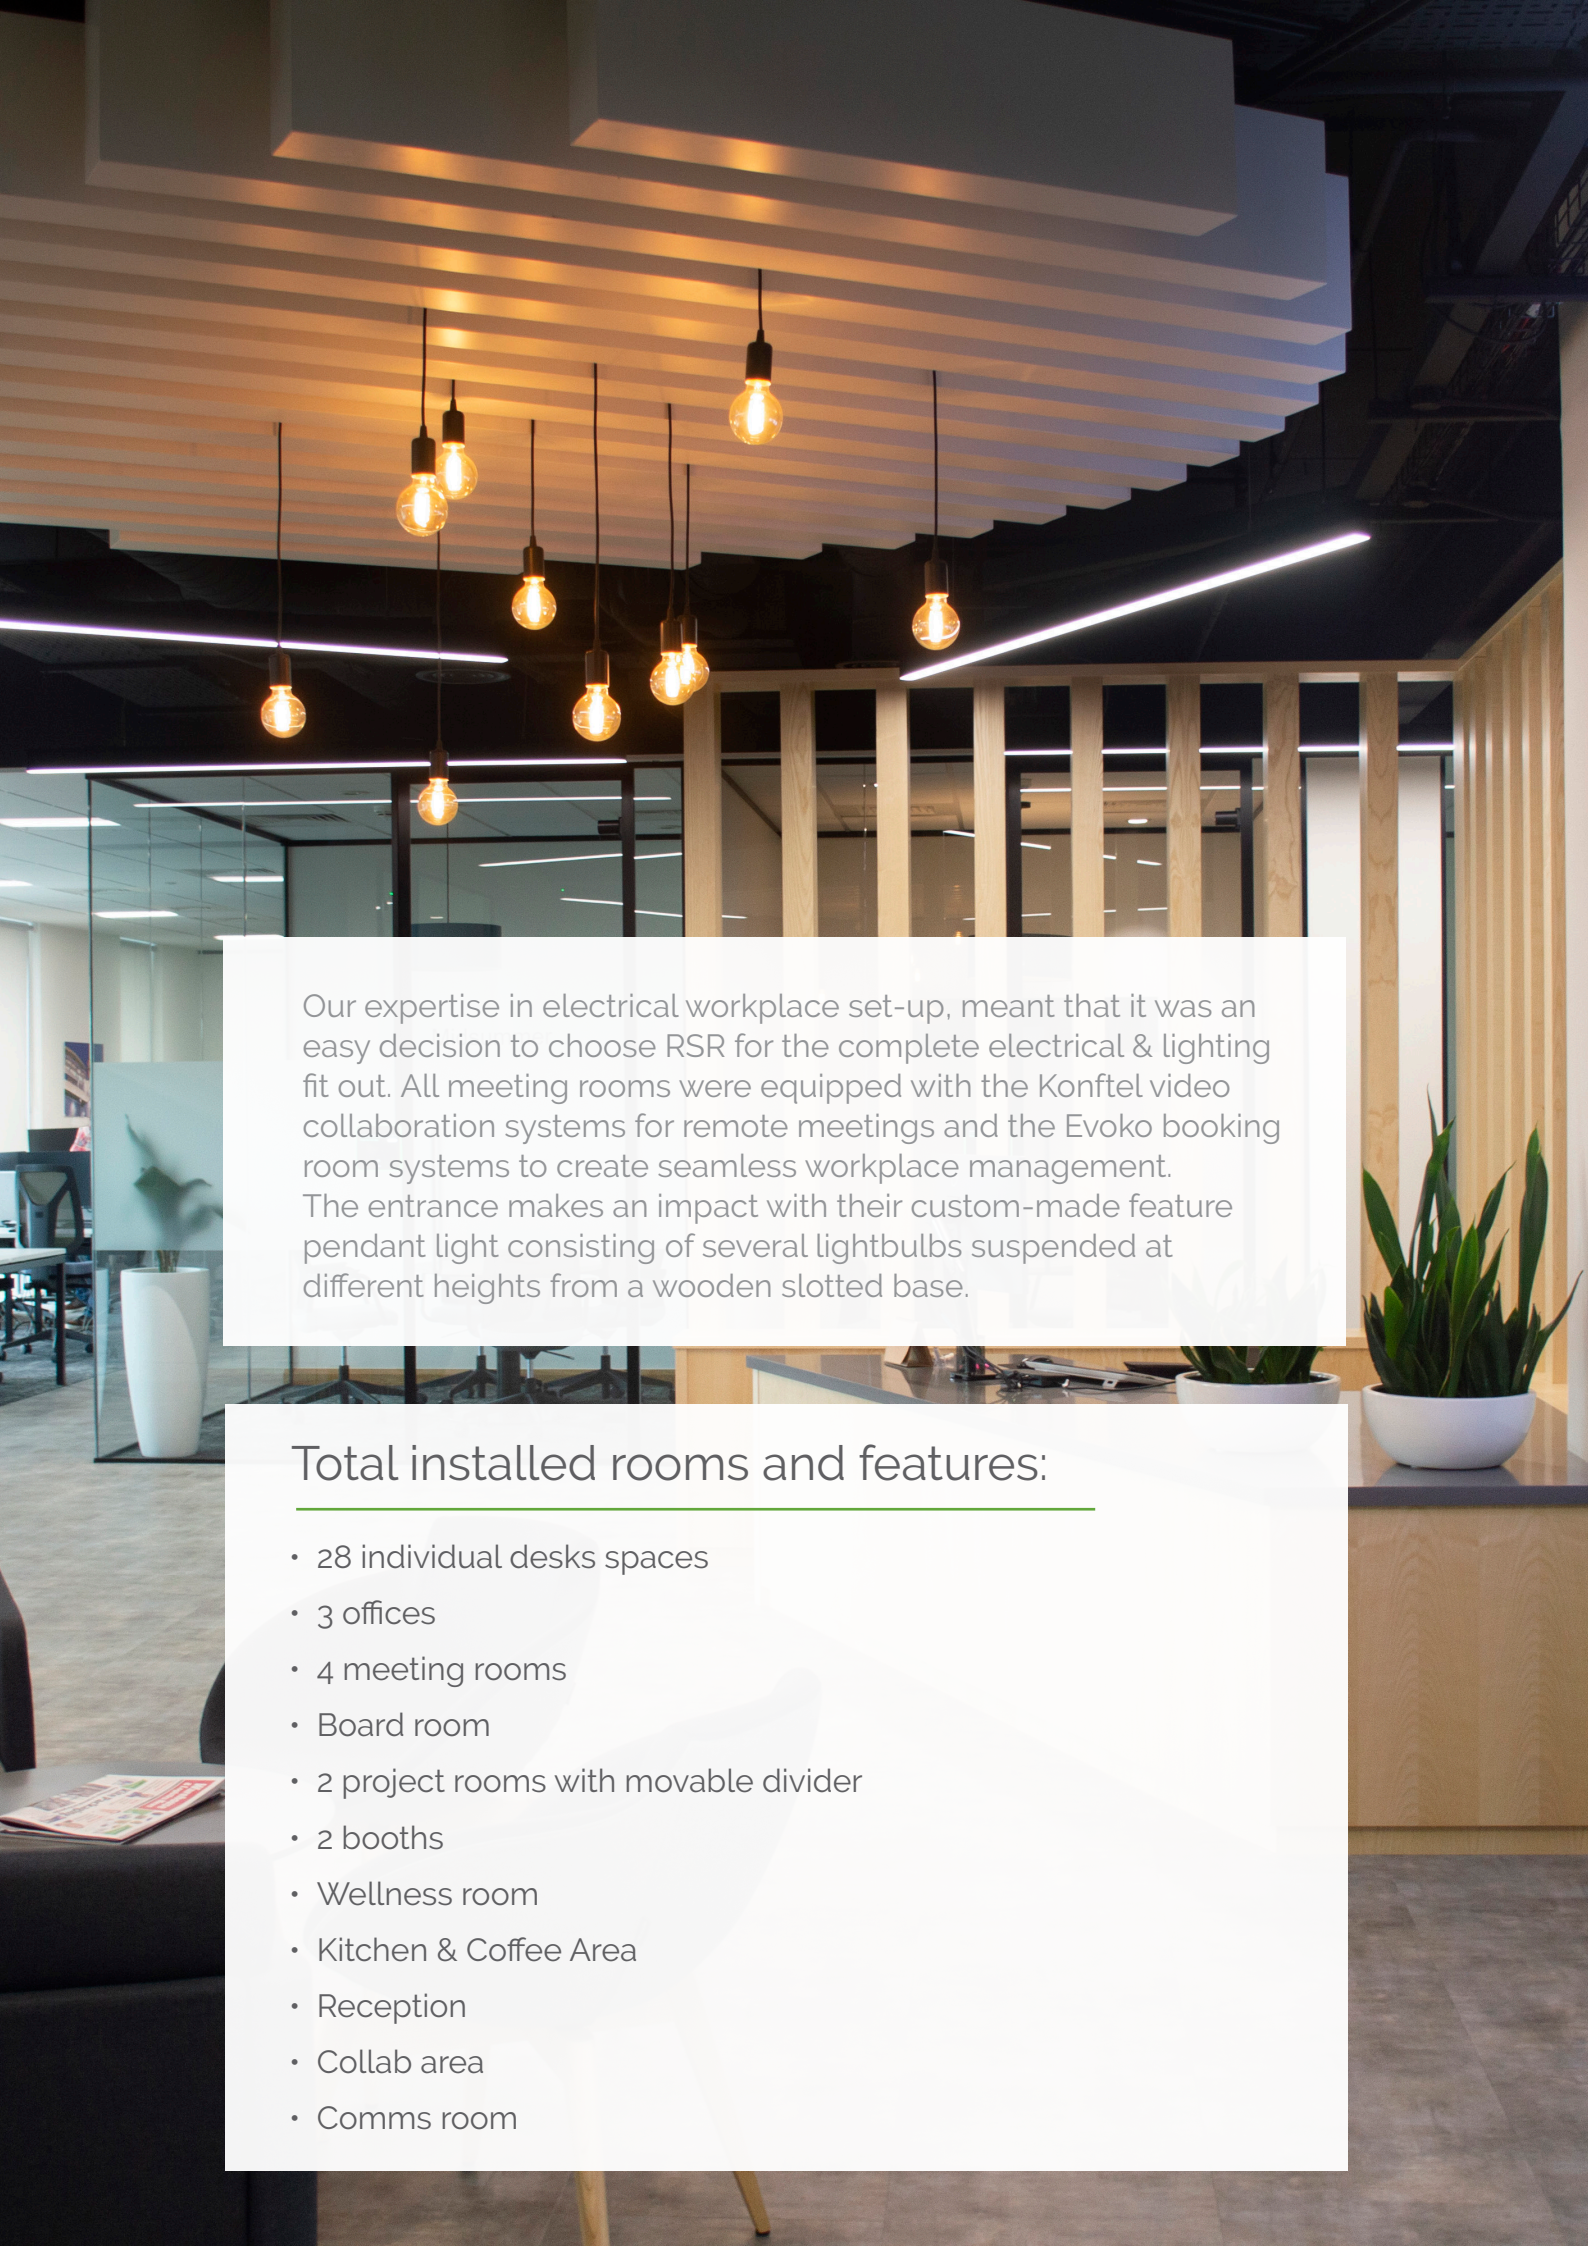

---

In the heart of Central Milton Keynes, this omni-channel and parcel distribution solutions company took an empty space, and with the help of RSR, transformed it into a fully functioning, bespoke, and modern office space.

RSR took the time to  
**understand the company**  
and their needs resulting  
in an office space tailored  
completely to them with  
**bespoke features throughout.**

Wooden slats surround the reception and kitchen area to create privacy and reduce noise, couch seating area in kitchen was uniquely made to fit the space, an operable wall within the project room to create a dynamic space of one open room or two smaller project rooms, the main board room was completed with a made-to-order table, chairs, and credenza. The reception features a live moss wall with an illuminated logo sign.

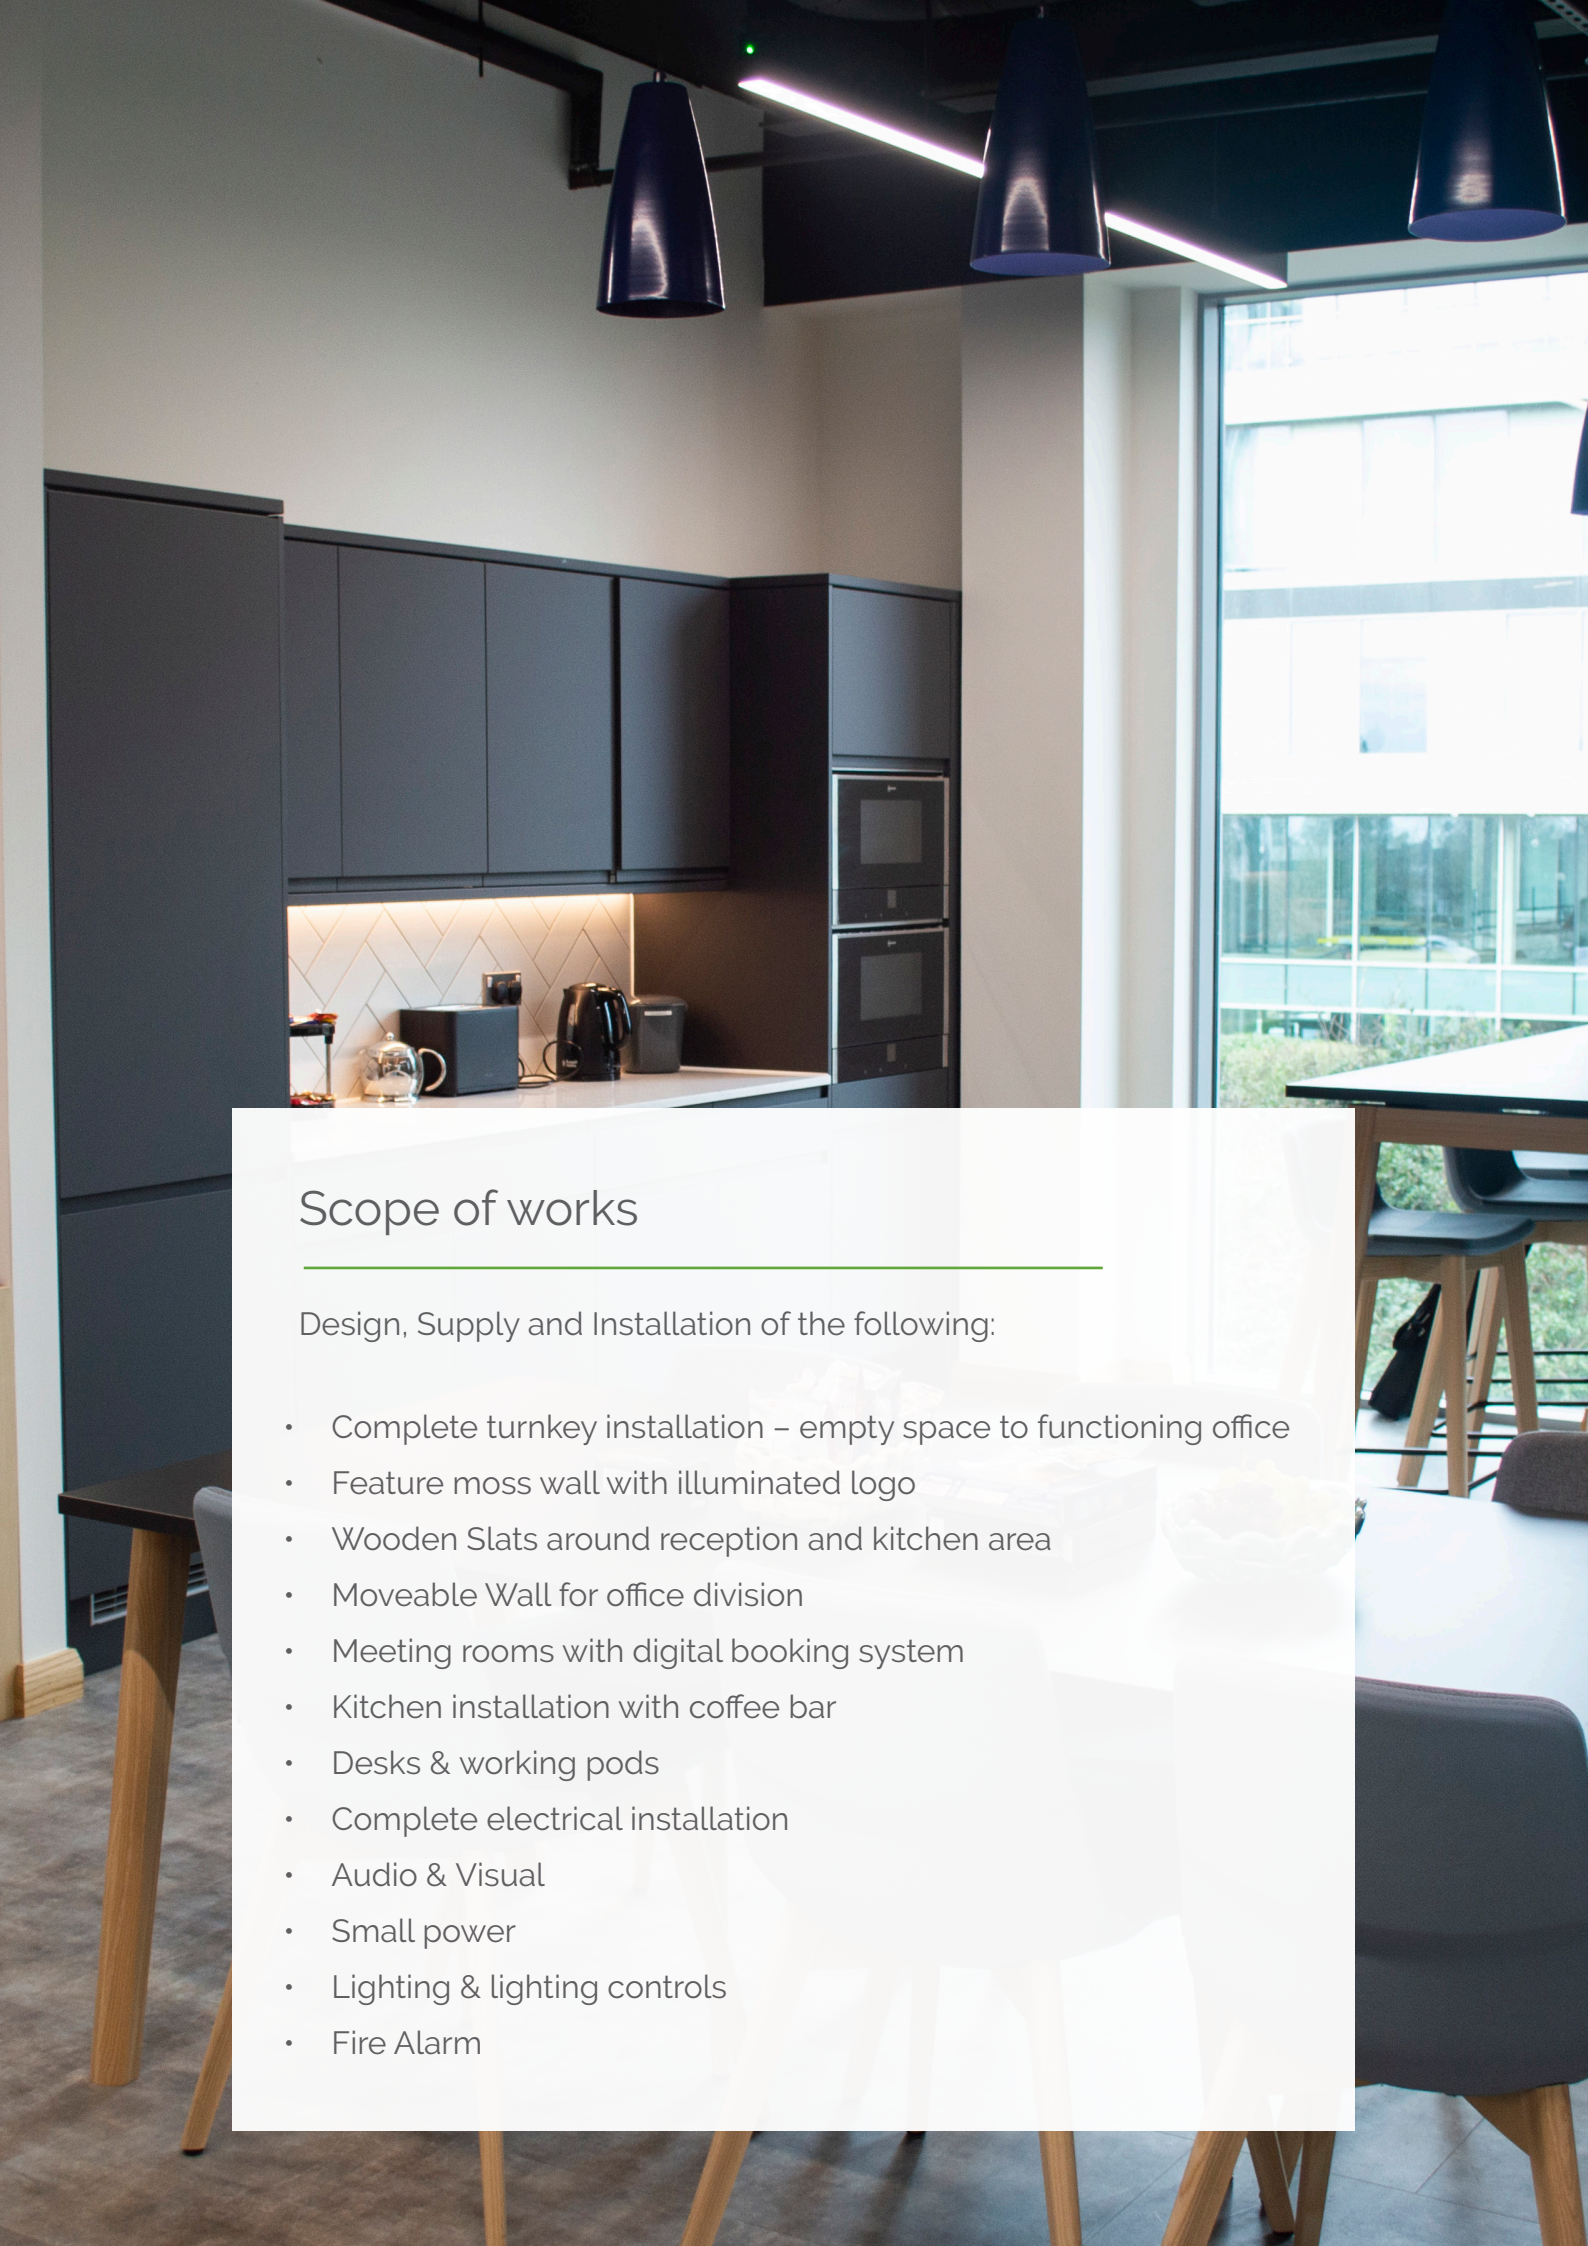

Our expertise in electrical workplace set-up, meant that it was an easy decision to choose RSR for the complete electrical & lighting fit out. All meeting rooms were equipped with the Konftel video collaboration systems for remote meetings and the Evoko booking room systems to create seamless workplace management. The entrance makes an impact with their custom-made feature pendant light consisting of several lightbulbs suspended at different heights from a wooden slotted base.

## Total installed rooms and features:

---

- 28 individual desks spaces
- 3 offices
- 4 meeting rooms
- Board room
- 2 project rooms with movable divider
- 2 booths
- Wellness room
- Kitchen & Coffee Area
- Reception
- Collab area
- Comms room

A modern office interior featuring dark grey cabinetry, a white countertop, and a large window. The kitchen area includes a coffee bar with a kettle and a toaster. The office space has wooden desks and chairs, and a large window providing a view of the outdoors. The lighting is a mix of natural light from the window and artificial light from pendant lamps and under-cabinet lighting.
